EDITOR'S CORNER:

This week Brisbane has "lost" two of her fine young men to the armed services of our nation. No, "lost" is not the word---not now, it isn't. Despite the many jibes and jeers these two young men have suffered during the past weeks, there is not one of us here who is not proud and secretly envious of them. Husbands get that far-away look in their eyes which says, "There, but for the will of God and the burden of my years and responsibilities go I." Young men, despite the joking and bravado, are thinking, "Maybe I should join up, too. Maybe I would, except for this--or that." Young boys are hearing the bugle call, and envisioning themselves in colorful uniform. And they are impatient of the years which must pass before they, too, can "join up".

Young ladies are sighing, and remembering the all-too-recent holocaust which spewed forth more handsome young men in uniform than they could handle---there were more than enough to go around! We women of the middle years have that familiar catch in the heart which can mean but one thing---fear of the time which must come when we will be asked to smile as we send away our sons for the nation to finish developing from boys into men. In spite of our pride, we will be resenting the fact that anyone, or anything, besides ourselves could finish what we have started---the growth of boy into man!

The elderly ladies are sad---with remembering. These two young men are going into uniform in Peacetime---but the time was all too recently when sons were sent off to join a branch of the service---and some of them did not return.

THANK GOD the holocaust is over. THANK GOD we can send our young men out now for the training and development they need, and THANK GOD we can expect them home again, soon.

This is our farewell, and our best wishes for good luck, and long life, to HERB GAGNIER and "PORKY" HATCH, who left this week for San Antone, Texas---to be stationed at an airbase there. This is our congratulations for making a wise choice in these troubled times, and our congratulations for being the fine young men you are. And this is our plea: HURRY HOME AGAIN, FELLAS. HURRY HOME EVERY CHANCE YOU GET. We'll be missing you!

NEWS AND NOTES:

FIRE!!

Early Sunday morning, (June 11th) at 1:30 a.m. those citizens of Brisbane who had retired were awakened with the fire siren screaming. It was not difficult to locate the fire, as the whole hillside above Kings Road seemed lighted up with a red glare. By the time most of us had slipped on our robes, there was nothing left of the house at #83 Margaret Road but the floors and the skeleton of the walls showing through the flames. The fire spread to the near-by trees and made most of us thankful for the rainfall of the morning before. This could have become a tragic thing for all of Brisbane if the same stiff wind of the weekend before had been blowing, and if the grass and trees surrounding the immediate area had not been dampened considerably by the recent moisture. Owner of the house was H. Duval, and Johnny DeMarco.

Firechief Terry reports a 90% loss, at least, and reported one fireman taken to the hospital. There were four pieces of fire fighting equipment on hand, with Bayshore and South San Francisco Fire Departments standing by, through the courtesy of the State Highway Patrol, who also got hot coffee and donuts for the fire-fighters. Mrs. Cleary, of Cleary's grocery was awakened at 3:30 a.m. for the donuts and snails. The fire lasted from 1:30 to 4:30, with 2000 feet of large hose laid out. (continued on page two)

(FIRE!!--continued.)

Chief Terry would like to take this opportunity to all those citizens who turned out to help fight the fire. Their help was needed, and appreciated. This was the second home fire within a week--the other one being the house at #478 Kings Road last Monday evening.

Chief Terry would also like to issue the following WARNING: NO OPEN FIRES DURING THIS DANGEROUS SEASON. WATCH YOUR CONTAINERS AT ALL TIMES. HAVE YOUR WATER HOSES ATTACHED TO OUTSIDE FAUCETS AT ALL TIMES. EMERGENCY PHONE NUMBER FOR FIRES AND AMBULANCE IS JUNIPER 7-0189--PLEASE COPY THIS NUMBER DOWN WHERE IT CAN BE FOUND AT A MOMENT'S NOTICE. NOTIFY ALL MEMBERS OF YOUR FAMILY OF WHERE THIS PHONE NUMBER CAN BE LOCATED IMMEDIATELY. GRASS BURNING HAS ALREADY BEEN STARTED--PUT YOUR YOUNGSTERS TO WORK CLEARING AWAY THE GRASS AND REFUSE FROM AROUND ALL FENCES, SHACKS, AND HOUSES. WITH THE HELP OF THE CITIZENS OF BRISBANE, WE CAN GET THROUGH THIS FIRE SEASON WITHOUT FATALITY OR TRAGEDY. ONE HOUR'S WORK MAY MAKE THE DIFFERENCE!

Speaking of fires, and houses--have you noticed the new coat of paint on our fire-house? And the new sign? The equipment is being kept up-to-date and in top working order. We may all be proud of our volunteer fire-fighters in this community. They are doing the best they can with what they have, and no one can expect more than the best they can!

FOUND: ONE BONE'S PLAYER!

As a result of our little pleas in last
weeks paper, Frankie King has found a
"bones" player for the proposed minstrel
show. We understand that one of the high-
spots of the show will be the act by
Tom Prease, on the bones--Bob Boomer on
the musical saw, harmonica and washboard,
and Mr. Baldwin on the harmonica and a
wine jug. This I gotta hear!

New members of the glee club include
Joy Fogleman and Gladys Apple. New member
of the dancing chorus is Carol Prease.
And according to Frankie, he has secured
"Runt" Trantham for one of the "end men".
With "Runt" in the show, it becomes a
"must" for all of us, doesn't it?

BRISBANE A.C.'S BASEBALL, UP-TO-DATE:

In Sunday's game, (May 28th) at Flood Park, Brisbane came through with a victory over St. Aloysius 16 to 5.

Pitcher Don Delbon went the route for Brisbane, giving up five scattered hits. He struck out seven and walked only one. He also batted three for five, one of hits being a big double.

Top sticker of the game was short-stop Larry Blanchard with a double and two hard hit singles. He came through three times in a row to drive in six runs. Brisbane played real heads-up ball throughout the game and was never in real trouble.

On Sunday, June 4th, at Flood Park also, Brisbane won it's third league victory of the season by trouncing the Palo Alto Optimists 11 to 3. Brisbane was really hitting the ball on that day, as they collected fifteen hits in all.

Pitcher Don Delbon pitched a fine game, allowing but 3 hits while getting 11 strike-outs. He was never in trouble as he had wonderful support throughout the whole game.

Doubles by Roland, Blanchard, Firth, and a triple by Butcher were all good for runs driven in. Bob Butcher's triple was the longest hit of the day.

Hank Schmidt with 3 singles for 4 times at bat was the leading sticker. Dick Firth had a perfect day at bat, getting two for two. One of them an earned double. Larry Blanchard with 2 for 3, once again came across in the clutch, when needed.

"Big" Rich Trantham came through in the 5th with a nice single. "Wee Willie" Green got a beautiful single in the third inning, driving in a run. Willie is still smiling despite his bumps and all.

Bob "Boob" Mink went hitless Sunday. Brisbane started off with a 4 to 0 lead in the first, and was never headed from there on in. Smart and heads-up ball makes the Brisbane A. C.'S a hard club to beat. But on Sunday, June 11th, the boys met a toughie in Church of Nativity, and went down by one point.

LET'S HAVE MORE HOME TOWN SUPPORT IN THESE SUNDAY GAMES!

--thanking you, I am
EDDIE DAVENPORT.

can and Orrey Facchini. At the flower-bedecked tables were individual favors of graduation caps and diplomas. Credit for these lovely favors goes to Mrs. Al Köster.

GRASS FIRE:

PLEASE WAKE UP, CITIZENS OF BRISBANE. IT MAY BE LATER THAN YOU THINK! COOPERATE WITH YOUR FIRE DEPARTMENT INSTEAD OF CRITICIZING THEM!

SAFETY COUNCIL MEETING:

The Brisbane Safety Council held its first meeting on June 12th, at the Police Station. Chairman Dan Case, Chief of Police, called the meeting to order and recognized the Police Commissioners, V.V. Gilman, Fred H. Schmidt, and William H. Rook; the Fire Commissioners, David Reed, Earle Woodard, and Walden A. Delbon--and Fire Chief Lou Terry--as members. All were present except Mr. Woodard, who is in a hospital.

The council was organized to do whatever is possible to promote safety locally and to cooperate with the county safety council when it gets its program operating.

There was much discussion on white road lines, stop signs, loading areas, and school zones--and it was decided to take steps immediately to stop unnecessary speeding, reckless driving, and illegal parking. Also to keep small children off the streets as much as possible, through cooperation of the parents.

To do this, the traffic force of the Police Department has been enlarged by the addition of several volunteers, appointed by the Council, who will be empowered to issue citations to violaters. The council membership will be increased to include representatives from all civic minded organizations and groups in Brisbane, and invitations will be extended to these groups when a mutually agreeable time and place is decided upon.

AMUSING INCIDENT:

Wednesday evening, friend husband Warren and I came out of the local theater after viewing two very excellent pictures, and found what we thought was a "parking ticket" on the windshield of our little Hudson sedan. But when we had removed it from the windshield, we found it to be the following:

"DEAR MAYOR OF BRISBANE:

WE CAME DOWN TO VOTE FOR YOU, BUT THEY CLOSED THE POLLS WHEN THEY ROLLED UP THE SIDEWALKS!--signed PRESIDENT TRUMAN." ---obviously it was from some of our "city" friends who had come out for a visit--but we are still wondering just which friends it could have been! NOW will you Brisbane people treat us with a little more respect, please! At least SOMEBODY considers us the MAYOR around here! Of course, the same party thinks he is PRESIDENT TRUMAN--but as long as they are allowing him to run around loose, guess they cant PROVE he's crazy!!---your editor, Gladys Reece.
